

Toronto Marriage Licence Statistics*

Discussions and Graphs

Ruiyang Wang

September 19, 2024

This study analyzes the marriage licence statistics for Toronto, focusing on marrying trends over recent years.

1 Introduction

You can and should cross-reference sections and sub-sections. We use R Core Team (2023), (`opendatatoronto?`), and Wickham et al. (2019).

The remainder of this paper is structured as follows. Section 2

2 Data

Some of our data is of marriage (Figure 1), from (`opendataatoronto?`).

3 Discussion

3.1 First discussion point

If my paper were 10 pages, then should be at least 2.5 pages. The discussion is a chance to show off what you know and what you learnt from all this.

*Code and data are available at: <https://github.com/Ruiyang-Wang/STA304-Week3>.

Figure 1: Marriage date and licences

3.2 Second discussion point

3.3 Third discussion point

3.4 Weaknesses and next steps

Weaknesses and next steps should also be included.

Appendix

A Additional data details
